LifeGuard technology combines a performance fiber with a performance finish which gives our fabrics durability and longevity. Their moisture repellency allows spills to bead up instead of soaking in. This will allow you to gently blot the fabric with a cloth for easy cleanup. From children to pets, LifeGuard fabrics can handle stains made by everyday accidents.

LifeGuard is:

- **Repels moisture**
- **Long lasting**
- **Durable**
- **Easy to clean**
- **Resists stains and odors**

Rescuing you from life's spills.

LifeGuard Performance has a great value based performance story.

Unique properties of LifeGuard Performance include:

- Enhanced abrasion performance
- Enhanced soil and stain repellency
- Antimicrobial and antibacterial resistance
 - Water repellant
- Does not alter fabric hand or fabric color
 - Excellent wash durability
- Easily cleaned with light brushing, warm water and mild soap

LifeGuard Performance is a fluoropolymer with C6 Chemistry. C6 Chemistry is a very important element in the LifeGuard Performance story as it is environmentally friendly. The chemistry contains:

- No added formaldehyde
 - No flame retardants
 - No PFOS's or PFOA's
 - Very low VOC's

LifeGuard Performance is the perfect combination of performance and value.

Limited 1 Year Warranty.

Rescuing you from life's spills.
